

JOSH OCHS – Candidate Statement

Candidate for Hermosa Beach City Council  
Municipal Election  
Member of the City Council

Occupation: Local Business Owner

Josh Ochs has worked with over 1,000 employers to bring jobs to Hermosa Beach and the South Bay, improving our economy, strengthening our city, and helping provide funding for critical services like police and fire.

Josh Ochs knows that the threat of violent criminals in our neighborhoods means that we need an ever stronger commitment to our police. Josh is endorsed by over two dozen Hermosa families and is the founder of Hermosa Family Events because he is fully committed to keeping every school, park, and neighborhood in Hermosa safe from violence and crime.

Josh Ochs is running for City Council to make sure that even when the recession tightens our city budget, our firefighters and paramedics – those that we rely on for our very lives in times of emergency – will have the resources they need to protect every senior, every family, and every business.

Josh Ochs grew up going to the beaches of the South Bay and is a native of our county. His family is here. Josh understands how special our little community of Hermosa Beach is and the very real challenges we face.

Please vote for Josh Ochs for a better, stronger, and safer Hermosa Beach.
